

HYDRAULIC AGGREGATE

Application:

This hydraulic aggregate AH 400-B-FI is a fast and reliable portable device with an electric drive. It is equipped with hydraulic cable ended with PM fast connector.

Cat. No.	60032/230
Dimensions	470 x 320 x 495 mm
Engine power	0,75 kW
Working pressure	380 bar
Nominal efficiency	1,5 l/min
Working liquid	Hydraulic oil L-HM 32
Tank capacity	5 dm ³
Voltage	230 V AC, 50 Hz
Control voltage (pedal)	24 V DC
Hydraulic cable length	3 m
Electrical cable line length	3 m
Mass	33 kg

INDEX
